Alexandria, VA 22313-1450

Dear Sir:

The undersigned hereby requests a duplicate patent grant of the above-referenced United States Letters Patent No. 6,966,825 as the original patent grant has been lost.

I am a partner in the firm of Knobbe, Martens, Olson & Bear, LLP and I am the partner responsible for the management of the patent prosecution matters that our firm is handling for Mr. Ganzing Ke, owner of the above-identified patent.

Based on internal records, we verify that the original patent grant was received by Knobbe, Martens, Olson & Bear, LLP on November 28, 2005.

The owner of this patent resides in The People's Republic of China as indicated on the face of the patent. On January 4, 2006, the original patent grant was mailed via Registered Mail to the Chinese firm that represents the owner. The grant was received by the Chinese firm and was subsequently forwarded to the owner, who, we have been informed has lost the grant and is hereby requesting a duplicate grant.

The \$400 petition filing fee will be paid through the EFS Web system. Please charge any additional fees or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
